

# BE A REPORTER FOR THE DAY

& win a laptop and FREE Broadband

Are you a budding news hound? Would you like to win a new laptop and a year's free broadband?

Why not say yes and enter the Next Generation Learning LIVE! Reporter competition. All you have to do is make a short report telling us how you think "technology is changing the way we learn".

#### Here's how - it's easy

Your report could be a 250-400 word written article or even 1 minute video or podcast. Tell us how technology is used in your school today or the how you would like it to be used in the future. The only limit is your imagination. So if you're aged between 10 and 18, submit your entry by 30th November 2009.

#### FREE Laptops and Broadband Up For Grabs!

30 lucky winners will get a laptop with free broadband and attend the 2010 BETT show in London, to spend a day reporting on all that is new and exciting in the world of technology.
